Multi-Specialty Plastic Surgery Symposium and Bernard G. Sarnat, MD Lectureship

SATURDAY, NOV. 5, 2016
7:30 A.M. – 5:00 P.M.

Cutting-edge symposium for plastic surgeons, facial plastic surgeons, oculoplastic surgeons and dermatologists involved in the care of patients with aesthetic and reconstructive needs.

CONFERENCE LOCATION
Sofitel Los Angeles at Beverly Hills,
8555 Beverly Blvd., Los Angeles, CA 90048

For the latest course information and to register, visit cedars-sinai.edu/cme and click on CME Course Calendar.
Plastic and reconstructive surgical and nonsurgical procedures vary widely. Patient needs range from correction of birth defects to facial rejuvenation, accidents to rhinoplasty, scar revision to body contouring – and all require a unique skill set and experience. This demand for aesthetic procedures and reconstruction gives rise to numerous new technologies and techniques; however, keeping pace with such advances can be challenging. This year’s program will feature content about two hot topic areas: facial transplants and sexual reassignment surgery. Expert guest faculty will present clinical insights and share their professional experience in these uniquely complex and challenging areas of plastic surgery.

This educational activity is intended for plastic surgeons, facial plastic surgeons, oculoplastic surgeons and dermatologists involved in the care of patients with aesthetic and reconstructive needs.

Implement advanced techniques that have been found to be safer and less invasive in patients requesting aesthetic and reconstructive surgery of the face.

Describe the anatomy of the face in terms of volume loss and structural changes in multiple tissue layers.

Translate into practice a broader understanding of the issues that transgender patients may encounter in healthcare.

Review the latest techniques and recommendations in skincare and the implications for your practice.

Reduce complications and improve outcomes in patients requesting aesthetic and reconstructive surgery of the eyelid and/or midface region.

Recognize the indication for the surgical treatment of migraine headaches.

Cedars-Sinai Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Cedars-Sinai Medical Center designates this live activity for a maximum of 7.5 AMA PRA Category 1 Credits™. Physicians should claim only credits commensurate with the extent of their participation in the activity.

The California State Board of Registered Nursing accepts courses approved by the ACCME for category 1 credit as meeting the continuing education requirements for license renewal.

It is the policy of Cedars-Sinai Medical Center to ensure balance, independence, objectivity and scientific rigor in all its educational activities. Cedars-Sinai Medical Center assesses conflict of interest with its faculty, planners and managers of CME activities. Conflicts of interest that are identified are resolved by reviewing that presenter’s content for fair balance and absence of bias, scientific objectivity of studies used in this activity, and patient care recommendations.

While Cedars-Sinai Medical Center endeavors to review faculty content, it remains the obligation of each physician or other healthcare practitioner to determine the applicability or relevance of the information provided from this course in his or her own practice.

All cancellations must be submitted in writing and refunds will be subject to a $50 administrative charge. No refunds will be given after October 29, 2016. Please e-mail cancellation request to cme@cshs.org. If you do not receive confirmation of your cancellation via e-mail, please call 310-423-5548.

Cedars-Sinai reserves the right to cancel or reschedule programs due to circumstances beyond its control or close registration when programs are oversubscribed. Registrants are advised against purchasing nonrefundable airline tickets until they receive registration confirmation. Cedars-Sinai is not responsible for penalties incurred as a result of cancelled transportation costs.

When making reservations, please be sure to mention that you are attending a conference at Cedars-Sinai to ensure you are receiving the best current reservation rate.
