Advances in Multi-Specialty Aesthetic and Reconstructive Plastic Surgery Symposium and Bernard G. Sarnat, MD Lectureship

Saturday and Sunday November 6-7, 2010

Offered in cooperation with the California Society of Facial Plastic Surgery and the Breast Preservation Foundation

Cedars-Sinai Medical Center
Harvey Morse Conference Center
Plaza Level, South Tower
8701 Gracie Allen Drive
Los Angeles, CA 90048

CONFERENCE LOCATION

Cedars-Sinai Medical Center

Harvey Morse Conference Center Plaza Level, South Tower 8701 Gracie Allen Drive Los Angeles, CA 90048 (310) 423-5548

HOTEL ACCOMMODATIONS

The most convenient place to stay is the Hotel Sofitel, located across the street from Cedars-Sinai Medical Center at 8555 Beverly Blvd at La Cienega. The phone number of the hotel is (310) 278-5444.

PARKING

Complimentary self-parking is available in the following CSMC parking lots only:

P1 and P2 - George Burns Road, between Beverly Boulevard and Alden Drive

P4 on Sherbourne Drive, between Third Street and Gracie Allen Drive

Bring your parking ticket with you to the conference. We will provide daily validation at the registration desk. We cannot validate tickets for vehicles parked in the Cedars-Sinai Medical Office Towers parking structures.

*Imaging Center parking only

Neda Shamie, MD

Associate Professor of Ophthalmology Doheny Eye Institute Keck School of Medicine of USC Los Angeles, CA Medical Director Doheny Eye Center-Beverly Hills Beverly Hills, CA

Tom Wang, MD

Professor, Department of Otolaryngology-Head & Neck Surgery Oregon Health & Science University Portland, OR

Jessica Wu. MD

Clinical Instructor in Dermatology Los Angeles County-USC Medical Center Los Angeles, CA

ACTIVITY INFORMATION

COURSE DESCRIPTION

This two-day symposium offers an opportunity to learn new techniques and reinforce skills and methods through presentations, video, panel discussion and interaction with acknowledged experts in plastic surgery, facial reconstruction, and dermatology. The program is divided into sessions with faculty panels and question and answer sessions interspersed to encourage interactivity between participants and session presenters. Aesthetic and facial plastic surgery topics explored include avoiding the pitfalls of revision rhinoplasty, fat grafting techniques, skin resurfacing, and blepharoplasty. This year, the program will also feature presentations from residents wishing to make an academic contribution to the specialty of plastic surgery during their training. The overall goal of this program is to present new, clinically useful, innovative and practical surgical and non-surgical techniques to enable plastic surgeons to provide improved care to their patients seeking aesthetic and reconstructive surgery.

TARGET AUDIENCE

This course is designed to meet the educational needs of plastic surgeons, facial plastic surgeons, general surgeons, otolaryngologists, dermatologists, and other healthcare professionals involved in the care of patients with aesthetic and reconstructive needs.

EDUCATIONAL OBJECTIVES

- Review the science of human facial transplantation.
- Reinforce blepharoplasty techniques to prevent complications in patients requiring eyelid surgery.
- List the benefits of using 3D techniques for facial rejuvenation to facilitate the diagnosis and treatment of facial injuries.
- Counsel patients seeking facial rejuvenation on available treatment options to improve aesthetic facial features.
- Review and apply proven techniques in revision rhinoplasty to minimize complications and maximize functional and aesthetic nasal structure for patients seeking to correct or improve facial features.
- Review the pertinent anatomy of the lower lid, nose, and orbital rim.

ACCREDITATION STATEMENT

Cedars-Sinai Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT DESIGNATION STATEMENT

Cedars-Sinai Medical Center designates this educational activity for a maximum of 14 AMA PRA Category 1 Credits TM . Physicians should only claim credit commensurate with the extent of their participation in the activity.

The California State Board of Registered Nursing accepts courses approved by the ACCME for category 1 credit as meeting the continuing education requirements for license renewal.

POLICY ON DISCLOSURE

It is the policy of Cedars-Sinai Medical Center to ensure balance, independence, objectivity, and scientific rigor in all of its educational activities. Cedars-Sinai Medical Center assesses conflict of interest with its faculty, planners and managers of CME activities. Conflicts of interest that are identified are resolved by reviewing that presenter's content for fair balance and absence of bias, scientific objectivity of studies utilized in this activity, and patient care recommendations.

While Cedars-Sinai Medical Center endeavors to review faculty content, it remains the obligation of each physician or other healthcare practitioner to determine the applicability or relevance of the information provided from this course in his or her own practice.

ACKNOWLEDGMENT OF COMMERCIAL SUPPORT

Cedars-Sinai Medical Center gratefully acknowledges educational grants from Allergan, Inc and Mentor Worldwide LLC in support of this educational activity. Additional commercial support is pending and will be acknowledged at the conference.

AGENDA

7:30 - 7:50 AM	Registration and Continental Breakfast	
7:55-8:00	Welcome and Opening Remarks	Andrew T. Cohen, MD, FACS
SESSION I		
8:00 - 8:05	Introductory Remarks	Randy Sherman, MD, FACS
8:05 - 8:45	Understanding Facial Aging - Why Facelifts Alone Don't Work	Rod J. Rohrich MD, FACS
8:45 - 9:30	Role of Fat Compartments in Facial Rejuvenation	Rod J. Rohrich, MD, FACS
9:30 - 10:00	Recent Advances in Wound Care	To Be Determined
10:00 - 10:15	Break / Exhibits	
10:15 - 10:30	Update from the ASPS	Michael F. McGuire, MD, FACS
10:30 - 11:15	Why Liposuction is Not Easy-Correcting/Preventing the Secondary Deformity	Rod J. Rohrich, MD, FACS
11:15 - 11:30	2010 Research and Scientific Advances in Plastic Surgery	Resident Presentation
11:30 - 12:00	Latest Advances in Microsurgery	Randy Sherman, MD, FACS
2:00 - 1:00 PM	Lunch	
SESSION II		
1:00 - 1:15	Facial Aesthetics in 2010	Val Lambros, MD, FACS
1:15 - 2:00	Resident Presentations	
2:00 - 2:45	In Search of the Perfect Rhinoplasty - Mishaps and Pearls	Rod J. Rohrich, MD, FACS
2:45 - 3:15	Panel Discussion: What Really Works The Final Word Over a Lifetime of Practi	
		lerator: David A. Kulber, MD, FACS
3:15 - 3:30	Break / Exhibits	
3:30 - 4:15	Advances in Secondary Rhinoplasty	Rod J. Rohrich, MD, FACS
4:15 - 4:30	Questions and Answers	Session II Presenting Faculty
4:30 PM	Adianas
